FMFF CIRCULAR 043/FMFF/2020

Date: 14/04/2020

To: All FMFF Members

Attn: Managing Director/ General Manager

Dear FMFF members,

RE: Registration of logistics services in MITI Portal

FMFF has received many enquiries from members on the recent announcement by MITI on the need to register all services through the MITI Portal via CIMS 2.0.

The announcement was followed by the release of FAQs by MITI, both of which, are attached for the information of members.

FMFF/SFFLA have been engaging with both MITI and MOT on this latest requirement.

At this moment, based on our ongoing communication with MOT and MITI, FMFF wish to advise that the MOT approval that was given is still valid for logistics companies.

Hence, there may not be an immediate need for our members to register again with the MITI Portal.

However, for companies involved with interstate transport movements, FMFF would encourage members to register with the MITI Portal where a QR code would be issued for all approved companies.

This QR code would be referred to by Enforcement agencies manning the roadblocks.

Please register via CIMS 2.0 at <https://application.miti.gov.my>

FMFF is still following up with MITI and MOT on this matter and we shall update members on any further development.

If there is any enquiry or clarification, please refer to FMFF Secretariat at 012-2775701 or secretariat@fmff.net
