Member Circular MC085/2020
14th April, 2020

Dear All,

RE : REGISTRATION OF LOGISTICS SERVICES IN MITI PORTAL

Please refer to FMFF Circular, Ref: 043/FMFF/2020 dated 14/04/2020 on the above subject.

SFFLA have also received many enquiries from members on the recent announcement by MITI on the need to register all services through the MITI Portal via CIMS 2.0.

The announcement was followed by the release of FAQs by MITI, both of which, are attached for the information of members.

FMFF/SFFLA have been engaging with both MITI and MOT on this latest requirement.

At this moment, based on our ongoing communication with MOT and MITI, FMFF and SFFLA wish to advise that the MOT approval that was given is still valid for logistics companies.

Hence, there may not be an immediate need for our members to register again with the MITI Portal.

However, for companies involved with interstate transport movements, SFFLA would encourage members to register with the MITI Portal where a QR code would be issued for all approved companies.

This QR code would be referred to by Enforcement agencies manning the roadblocks.

Please register via CIMS 2.0 at <https://application.miti.gov.my>

FMFF/SFFLA are still following up with MITI and MOT on this matter and we shall update members on any further development.

If there is any enquiry or clarification, please refer to SFFLA Secretariat at: general@sffla.com

Thks,
SFFLA Secretariat
