Mission

Become your most Malaysia preferred Logistics Partner and expanding worldwide in E-Business

AMBER COURIER SDN BHD as a Licensed Courier and Customs Agent started its operation in Sarawak in 2002 and is one of the leading freight forwarders, Logistics, and Courier Services in Malaysia. AMBER is a Malaysia-based company that provides a full range of freight and logistic services to cater to different market needs. It has expanded its services over the years mainly providing business-to-business and door-to-door delivery services. It has a strong network connection with other express centers in all states in Malaysia. AMBER has a real-time order and tracking system to ensure that all packages are delivered through the network efficiently and on time. AMBER provides office dispatch solutions to help save clients' time and cost and allows customers to focus on improving their business efficiency. Amber also provides training and consultancy services for best practices of local and international trade, warehousing, warehouse management, logistics, etc.

Amber provides a full range of perishable services to ensure the perishable cargo such as flowers, fruits, vegetables, chilled and frozen fish, sausages, fresh meat, and live fish across the supply chain. All temperature-controlled items and humidity are given special attention to avoid the products deteriorating and losing their vitality. Amber provides services that include document preparation and customs formalities, space booking for perishable goods, refer container booking and transfer, and prioritized handling at ports of origin and destination.

In the year 2005, AMBER as a Licensed Custom Agent became a registered member of SFAA (Sarawak Forwarding Agencies Association) affiliated with FMFF (International Federation of Freight Forwarders Association). It has expanded its services to deal with air and sea freight range of services internationally and domestically. AMBER's exemplary leadership and commitment to providing first-class services in freight forwarding has led to its success and contributed to its increasing pool of loyal customers. AMBER also provides air transport, customs clearance, as well as container freight around the world including received, transfer, assembly, and disassembly of imported and exported goods. AMBER is also an International Integrated Logistics Services (IILS) provider that provides integrated and seamless logistics services (door-to-door) along the logistics supply chain as a single entity on a regional or global scale. Amber is also an appointed IATA Cargo Agent by IATA to connect 300 airlines.

AMBER is one of the transport industry's pioneers and greatly understands the know-how of dealing with and being competitive to sustain its position in the market with its efficient management for low-cost advantage. In the year 2009, Amber got the official courier license from the MALAYSIAN COMMUNICATIONS AND MULTIMEDIA COMMISSION (MCMC) and is the only East Malaysia courier company registered with the ASSOCIATION OF MALAYSIA EXPRESS CARRIERS (AMEC)

Amber provides on-time delivery services, which have successfully attracted many new customers and satisfied its existing customers. AMBER is committed to using a cost-effective way to dispatch all business-related correspondences and parcels locally and internationally swiftly and safely. AMBER constantly reviews and upgrades its operating methods to meet the changing environmental needs. Our goal is to achieve customer needs and give them great satisfaction ... ONE-STOP SHIPMENT SOLUTIONS.
